- (24) **#10 x 5/8" Self Drilling Screws**

Materials needed:

- (12) **Feet of 1" schedule 40 PVC pipe (Body will be approx. 5'10" tall)**
- (1) **Styrofoam wig head**
- (1) **Plywood base approx. 24" x 15" x 3/4"**

Cut List:

- A) Neck: (1) 4" piece of 1/2" pipe**
- B) Spine: (2) 7 1/8" pieces of 1" pipe**
- C) Shoulders: (2) 6" pieces of 1" pipe**
- D) Upper Arms: (2) 8 1/2" pieces of 1" pipe**
- E) Forearms: (2) 9 1/4" pieces of 1" pipe**
- F) Hips: (2) 3 1/4" pieces of 1" pipe**
- G) Legs: (2) 34 1/2" pieces of 1" pipe**

Helpful Hints:

Do not over tighten the self-drilling screws! Start with a drill, complete final tightening by hand.

Place the screws in the middle of the SJ-1 slots to allow the most adjustment in either direction.

Heavier loads may require a second screw to prevent slippage.
